Messrs Fred C. Woodrough, Jr.  
and Drew W. Kohler—  
Rossdhu Lodge  
E. Woodbine Street  
Chevy Chase, Maryland

Gentlemen:

In reply to your letter of 5 April, I should like to thank you for your interest in the subject expressed therein as well as in this Agency. For your own knowledge, I wish to tell you that some of the steps mentioned are already being taken. As you know, Senator Lodge recently introduced a bill authorizing the enlistment of non-Americans into the United States Army.

I can assure you that the other items are already under consideration, and some have been worked out although, of course, for security reasons I cannot go into greater detail. Thank you again for your interest in this Agency and in the United States.

Very sincerely,

*R. H. Hillenkoetter*
